

Onhala Plast

We are a reputed MSME manufacturing company in the plastic packaging line started in the year 2017.

Presently we are manufacturing HDPE plastic bottles from 15 ml to 1000 ml. And supplying to various clients in the chemicals, agro chemicals, pharma, veterinary (AHC), cosmetics etc.

We may be a new company but we have more than 35 years expertise in this line.

Our strength is in developing custom build design as per our clients' requirements and we are always open to new ideas with customer service as our primary goal.
